This system is for online students registration
it consist of student

The image shows a web application interface. In the background, there is a website with a dark blue header containing the text "School Name" and "School Moto". Below the header is a blurred image of students. Overlaid on this is a white registration form with a red "Close" button at the top right. The form contains the following fields: "Email", "First name", "Last name", "Age", "Gender" (a dropdown menu), "Option", "Class", and "Telephone". A blue "Regist" button is located at the bottom right of the form. To the right of the form, a portion of the website's navigation bar is visible, showing buttons for "Comment" and "Admin".

registration panel and administrator panel.
